22/07/2024	Hydrogen incidents - Are you prepared?	Webinar	Broad focus	This webinar aims to provide a brief overview of those interested in hydrogen-related incidents and responses.	12-Aug-24		N/A	N/A	https://www.hydrogenscotland.com/event/hydrogen-incidents-are-you-prepared/
22/07/2024	Hydrogen Policy Leaders Convention	Pittsburgh, PA	Broad focus	This event will discuss pathways for Hydrogen Production, distribution methods, storage, smart sustainable, & equitable supply chains, financing strategies for Hydrogen Projects, regional & state activities, workforce development needs of the Hydrogen economy, the economic development potential of Hydrogen in the US, military applications, incorporation into the tribal energy portfolio.	14-Aug-24	15-Aug-24	14/08/24 - 15/08/24	N/A	https://www.ushydrogenalliance.org/pennsylvania-hydrogen-policy-leaders
22/07/2024	Hydrogen market opportunities in Scotland and Denmark	Webinar	Broad focus	The purpose of this event is to provide an overview of priorities and plans related to hydrogen/PtX as well as main projects, help identify opportunities for Scottish supply chain companies and stakeholders on both sides, and enable companies attending world hydrogen week in Copenhagen to better prepare and have more informed discussions.	22-Aug-24		N/A	N/A	https://register.gotowebinar.com/register/4248592534774962014?source=SEWebsite
22/07/2024	Hydrogen Masterclass: Supporting Scotland's Energy Future	Webinar	Broad focus	This webinar designs to educate and empower supply chain companies by offering insights into the potential of hydrogen as an energy source and the business opportunities it can unlock.	28-Aug-24		N/A	N/A	https://www.hydrogenscotland.com/event/hydrogen-masterclass-supporting-scotland-energy-future/
24/07/2024	Energy Transition Zone Masterclass Series 2024/25	Marcliffe Hotel, Aberdeen	Early stage innovators	The purpose of this event is to gain valuable insights into the latest advancements, projects & solutions that are sharing hydrogen's role within Scotland's energy landscape & find out how your company can get involved.	28-Aug-24		28-Aug-24	N/A	https://www.the-eic.com/EventDetail?dateid=4282
24/07/2024	The Future of Hydrogen Innovation	Glasgow Caledonian University	Broad focus	The event aims to provide an opportunity to inform debate, highlight priorities and identify critical pathways for hydrogen innovation support and investment, with policymakers, funders, innovators and industry experts on: 1) Innovation funding support landscape (Scottish/UK/International) 2) Investment opportunities & Priorities 3) Standardisation of hydrogen technologies, regulations, certifications 4) Hydrogen supply chain & derivatives 5) Hydrogen infrastructure, larger tech and scale-up Water for hydrogen production	10-Sep-24		10-Sep-24	N/A	https://www.etp-scotland.ac.uk/Events-News/Events/Post/id/1570/the-future-of-hydrogen-innovation#:~:text=The%20workshop%20aims%20to%20provide,(Scottish%2FUK%2FInternational)
22/07/2024	Hydrogen Tech Expo	Hamburg, Germany	Broad focus	This event will discuss everything from technologies and solutions for low-carbon hydrogen production, efficient storage, transport, and infrastructure, as well as advanced design, testing and development, manufacturing solutions and advanced materials for hydrogen fuel cells.	23-Oct-24	24-Oct-24	23/10/24 - 24/10/24	N/A	https://www.hydrogenscotland.com/event/hydrogen-tech-expo-hamburg-germany/
22/07/2024	Hydrogen Scotland Conference	Glasgow	Broad focus	This event will discuss the scale-up of low-carbon hydrogen production, developing local supply chains for hydrogen production and demand, explain the importance of cooperation and standardisation for scaling up hydrogen, and identify opportunities for the export of hydrogen into wider markets.	29-Oct-24	30-Oct-24	29/10/24 - 30/10/24	N/A	https://www.hydrogenscotland.com/event/hydrogen-scotland-conference-2024/
